

CHAIR'S KEY ISSUES

ISSUES FOR REFERRING / ESCALATING TO BOARD / COMMITTEE / TASK & FINISH GROUP

ORIGINATING BOARD / COMMITTEE / TASK & FINISH GROUP:		Every Birth Every Day
CHAIR:		Nick Hulme, Chief Executive
LEAD EXECUTIVE DIRECTOR:		Giles Thorpe, Chief Nurse
Agenda Item	Details of Issue	Approval Escalation Alert Assurance Information
22/22	Urgent regulatory/quality issues The group noted the Kirkup Report is being published on 19 October and agreed a review would take place and the learnings and recommendations aligned with the current projects and workstreams wherever possible and reported accordingly.	Information
22/23	Workforce Planning – Midwifery Workforce The Workforce plan is in draft, noting the requirements for Midwifery Continuity of Care have been changed nationally to ensure the adequate workforce is in place prior to moving forward for every organisation. The plan is under review by the Interim Heads of Midwifery and Human Resources Business Partner and this will be presented at the November meeting. This includes the Birthrate Plus review of establishment.	Information
22/23	Workforce planning: Admin and Clerical Workforce The Admin and Clerical Workforce review has commenced, completion has been postponed due to changes in roles. This is now being prioritised and will be presented to the group in November, ensuring all workforce workstreams are back on line.	Information
22/23	Governance The Trust's interim Maternity Independent Adviser continues to support the review of the Maternity governance structure and reporting framework, with discussions and agreement on supporting Maternity to review their incidents with the support of the Patient Safety Team. All actions currently on track for completion as per agreed deadlines, with progress being made to ensure all policies are up to date which will support the provision of the Assurance Map (part1) showing all Maternity Services Standards and assessment in one document to provide assurance to the DMT and Board.	Information
