

Dear Integrated Care Board

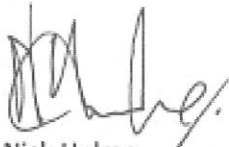

NHS England Core Standards (EPRR) 2022/23 Assurance

I am pleased to confirm that we have completed the self-assessment process for East Suffolk and North Essex NHS Foundation Trust.

Our Accountable Executive Officer has reviewed the submission and corresponding evidence along with our Directors of Operations, Directors of Community Services and Associate Director of EPRR and they are confident in the submission and scoring.

The Trust has scored itself as *Substantially Compliant* overall and has an approved Action Plan in place to address the deficiencies.

Yours sincerely
