

CHAIR'S KEY ISSUES

ISSUES FOR REFERRING / ESCALATING TO BOARD / COMMITTEE / TASK & FINISH GROUP

PART A:

ORIGINATING BOARD / COMMITTEE / TASK & FINISH GROUP:		Every Birth, Every Day	DATE OF MEETING ISSUE RAISED:	31 January 2023
CHAIR:		Giles Thorpe – Deputy Chair	LEAD EXECUTIVE DIRECTOR:	Giles Thorpe – Chief Nurse
Agenda Item No.	DETAILS OF ISSUE:			FOR APPROVAL / ESCALATION / ALERT/ ASSURANCE / INFORMATION?
22/50	<p>Urgent quality issues – Rapid Quality Review It was noted that due to some concerns being raised externally to the Trust a Rapid Quality Review meeting has been requested by the Trust to be led by the ICB with appropriate stakeholders to ensure all parties are aware of concerns and actions that are being taken to address them.</p>			Alert
22/50	<p>Urgent quality issues – CQC supportive visit Issues regarding triage and separation of Day Assessment Unit continue to impede delivery of BSOTs implementation. This is being closely monitored by the Divisional team and new locations are being scoped with Estates and Facilities.</p>			Information
22/51	<p>Nitrous Oxide Temporary suspension of Nitrous Oxide was noted due to high levels in the atmosphere. Post meeting addendum – Nitrous Oxide has been restarted as ventilation works have been completed and ongoing testing is in place.</p>			Information
22/52	<p>Work stream updates – OD and Safety Culture Whilst good process metrics were recognised and applauded by the Programme Board a request has formally been raised to the Division to now produce a set of outcome metrics against all key workstreams to evidence the</p>			Information

	positive impact of activities being undertaken. These will be worked up as part of reset of the EBED workstream oversight function.	
22/56	<p>MSSP Engagement</p> <p>The Governance Deep Dive into maternity services will commence week beginning 20th February with an initial review and report being prepared in time for next month's EBED programme board. Verbal feedback to be shared with the Chief Nurse.</p>	Information
22/59	<p>Maternity and Neonatal Staff Feedback (Staff concerns)</p> <p>Concerns regarding bank shifts being sufficient to cover gaps were raised focussed on Delivery Unit at Colchester. An explanation was provided to staff regarding vacancy factor improvement. Concerns regarding morale were also raised during feedback session and suggestions for improving morale were requested to be mailed to the Chief Nurse personally for action. No immediate safety concerns were raised in month</p>	Information
DATE COMPLETED AND FORWARDED TO SEC OF RECEIVING BOARD / COMMITTEE / TASK & FINISH GROUP:		24/02/2023
