Attending ASCO 2021 Cancer conference (Virtual). Accepted hospitality from Roche UK to attend the the virtual conference.	This is the world l;largest cancer conference. The attendance will allow me to access and learn about all the latest development in the field of Oncology. I will be updating colleagues in the department as well as in the region on the latest cancer drug development. Our oncology	04/03/2021
Registration fees to attend the virtual American Diabetes Association Conference- Sanofi- Aventis	Regrettably due to pressure of work I was unable to take this up offer	31/01/2022
Given a hand made quilt by a patient. Not sure of value but we had discussed our mutual interest of knitting and crochet during our of her consultations to take her mind off a procedure in clinic.		16/11/2021
Hand cream gift from grateful patient who had recent surgery from Jo Malone. Approximate value I guess could be about £25.	Explained that such gifts were very kind but I could not accept this. Patient stated that she had noticed that my hand were dry from regular washing during COVID and she would be offended if this was not taken and left package on floor in cliic room on leaving.	16/11/2021
Large carrot cake and chocolates from grateful patient for staff at breast unit.	Gift distributed amongst staff.	16/11/2021
Abbvie. Attendance at 26th European Haematology Association virtual conference.		18/11/2021
Sanofi Medical. Attendance at British Society for Haematology 2021 Virtual Meeting.		18/11/2021
Unrestricted educational grant to attend conference of high clinical importance e.g. European stroke conference, General medicine conference by Royal Colleges.	I will update any such sponsored event like international conference attendance via study leave approval process including accepting hospitality acceptance in the form of conference fee that is not being able to fulfilled by my study leave budget money by trust.	09/03/2021
